

Beautiful Beautiful

Don't know how it is You looked at me
And saw the person that I could be

Awakening my heart
Breaking through the dark
Suddenly Your grace

Like sunlight burning at midnight
Making my life something so
Beautiful, beautiful
Mercy reaching to save me
All that I need
You are so
Beautiful, beautiful

Now there's a joy inside I can't contain
But even perfect days can end in rain

And though it's pouring down
I see You through the clouds
Shining on my face

Like sunlight burning at midnight
Making my life something so
Beautiful, beautiful
Mercy reaching to save me
All that I need
You are so
Beautiful, beautiful

I have come undone
But I have just begun
Changing by Your grace

Like sunlight burning at midnight
Making my life something so
Beautiful, beautiful
Mercy reaching to save me
All that I need
You are so
Beautiful, beautiful

Like sunlight burning at midnight
Making my life something so
Beautiful, beautiful
Mercy reaching to save me
All that I need
You are so
Beautiful, beautiful
