

HAPPY SONG

I could sing unending songs
of how You saved my soul
Well I could dance a thousand miles
because of Your great love

I could sing unending songs
of how You saved my soul
Well I could dance a thousand miles
because of Your great love

My heart is bursting Lord
to tell of all You've done
of how You changed my life
and wiped away the past

I wanna shout it out
from every rooftop sing
for now I know that God
is for me not against me

I could sing unending songs
of how You saved my soul
Well I could dance a thousand miles
because of Your great love

My heart is bursting Lord
to tell of all You've done
of how You changed my life
and wiped away the past

I wanna shout it out
from every rooftop sing
for now I know that God
is for me not against me

Everybody's singing now
'cause we're so happy
Everybody's dancing now
'cause we're so happy

If only we could see Your face
and see You smiling over us
as unseen angels celebrate
for the joy is in this place

I could sing unending songs
of how You saved my soul
Well I could dance a thousand miles
because of Your great love

I could sing unending songs
of how You saved my soul
Well I could dance a thousand miles
because of Your great love

Because of Your great love
Because of Your great love
