

# Long Black Train

There's a long black train, comin' down the line  
Feeding off the souls that are lost and cryin'  
Rails of sin only evil remains  
Watch out brother for that long black train

Look to the heaven's you can look to the sky  
You can find redemption starin' back into your eyes  
There is protection and there's peace the same  
Burn in your ticket for that long black train

'Cause there's victory in the Lord I say  
Victory in the Lord  
Cling to the Father and His holy name  
And don't go ridin' on that long black train

There's an engineer on that long black train  
Makin' you wonder if your ride is worth the pain  
He's just a waitin' on your heart to say  
Let me ride on that long black train

'Cause there's victory in the Lord I say  
Victory in the Lord  
Cling to the Father and His holy name  
And don't go ridin' on that long black train

Well I can hear the whistle from a mile away  
It sounds so good but I must stay away  
That train is a beauty, makin' everybody stare  
But its only destination is the middle of nowhere

'Cause there's victory in the Lord I say  
Victory in the Lord  
Cling to the Father and His holy name  
And don't go ridin' on that long black train

Cling to the father and his holy name  
And don't go ridin' on that long black train

Yea watch out brother for that long black train  
That devil's drivin' that long black train
