

SHADOW OF YOUR CROSS

Lamb of God, Son of man
how You suffered how You bled
With a crown of thorns pressed upon Your head
You chose the road of pain
You walked the hill of all my shame, all my shame

In the shadow of Your cross
I will live for all my days
How could I forget the price You paid
In the shelter of Your love
I will give You all my praise
In the shadow of Your cross I will stay

Man of sorrows crucified
pure and holy sacrifice
As the hammer hit the nail
You offered up Your life
You gave up heaven for Your own
You took our punishment alone, You were so alone

In the shadow of Your cross
I will live for all my days
How could I forget the price You paid
In the shelter of Your love
I will give You all my praise
In the shadow of Your cross I will stay

O King of Majesty
Forever I will sing
of the gift You gave to me
You gave to me

In the shadow of Your cross
I will live for all my days
How could I forget the price You paid
In the shelter of Your love
I will give You all my praise
In the shadow of Your cross I will stay

In the shadow of Your cross I will stay
In the shadow of Your cross I will stay
