

YOUR LOVE IS EXTRAVAGANT

Your love is extravagant
Your friendship it is intimate
I feel like moving to the rhythm of Your Grace
Your fragrance is intoxicating in a secret place, cause
Your love is extravagant

Spread wide in the arms of Christ
Is the love that covers sin
No greater love have I ever known
You considered me a friend
And capture my heart again

Your love is extravagant
Your friendship it is intimate
I feel like moving to the rhythm of Your Grace
Your fragrance is intoxicating in a secret place, cause
Your love is extravagant

Spread wide in the arms of Christ
Is the love that covers sin
No greater love have I ever known
You considered me a friend
And capture my heart again

Spread wide in the arms of Christ
Is the love that covers sin
No greater love have I ever known
You considered me a friend
And capture my heart again

Capture my heart again
Capture my heart again
